The tramonto wine program is in a stage of rebirth and we're excited to provide a great selection of wines to accompany the new level of elevated Italian cuisine we showcase. The collection of wines will focus on Italy as that's where our heart is, but also American varietals because that's where our home is, along with hand picked international varietals and blends that peak our palates interest and compliment our style. Our Wine Program will grow and evolve as we will and each time you dine with us, you will find exciting options hand picked for your enjoyment. We offer reliable classics, obscure varietals and recognizable producers. Our aim is to elevate your dining experience, hopefully you will try something new that you enjoyed with us while doing so. 8
